LA DOLCE VITA

Since the Renaissance, English-speaking people have ventured to Italy to be romanced. You can read about it in the plays of Shakespeare, the novels by E.M. Forster and Ernest Hemingway, and in innumerable articles that get e-mailed across the globe on any given day. But nowhere will you find Italy brought to life as you will here on these pages. In this one-of-a-kind Playboy Special Edition, we'll introduce you to the **GORGEOUS WOMEN OF ITALY**—all of them **DELICIOUSLY NAKED** and awaiting your smile. Let's face it: There are many reasons why Italy enchants, but none can top its female creatures. In the north, you might stare wide-eyed down an alpine slope from the peak of Madonna di Campiglio, or at the vineyards outside Turin. Below that, there is Emilia Romagna, with its noble cuisine and its Ferraris, and of course, Tuscany, with its ancient architecture and rolling hills. Head south to Rome and the Vatican, or farther still to the island of Sicily, with its stark vistas and sapphire sea. The one thing all of these places share is **BEAUTIFUL WOMEN**. You see them motoring on Vespas while effortlessly smoking cigarettes. You see them sunning on the beaches of the Cinque Terre or sipping negronis at sunset in the piazzas of a thousand off-the-beaten-path villages. They possess a uniquely Latin confidence, as if wearing their sexuality on their sleeves (or lack thereof). Naturally, Playboy photographers have been hard at work combing the country to capture this pulchritude. Here we bring the best of it to you, all in one place. *Arrivederci e divertitevi!*

PLAYBOY

A full-page photograph of Gloria Patrizi in a Western-themed setting. She is lying down in a field of dry grass, wearing a brown cowboy hat, a white long-sleeved shirt that is open at the collar, and denim shorts with a large silver belt buckle. She is holding a lasso in her mouth and has her right hand raised to her forehead. The lighting is bright and natural, creating a warm, golden-hour atmosphere. The Playboy logo is in the top left corner.
